4	GENERAL NOTES
4,1	Unless the context indicates otherwise, 'road reserve' includes a roadway, sidewalk, footway (surfaced or unsurfaced), verge and driveways.
4,2	If Cederberg Municipality incurs any costs resulting from work in or use of the road reserve, including remedying substandard or non-compliant reinstatement, repairing damage, 3rd party claims, or cleaning the site, the deposit is offset against such actual costs plus 20% administration, including VAT thereon. The Municipality will refund the balance, if any.
4,3	The roadway open trench fee is for the increased maintenance and reconstruction costs and inherent degradation of the roadway caused by roadway trenching and applies even if the trench is reinstated in compliance with the Municipality's requirements and standards.
4,4	All internal Departments or State Funded Projects (National or Provincial), where the infrastructure will be taken over by Cederberg Municipality, will be exempted from paying the Administrative & Supervision Fee, Refundable Deposits, Non-refundable Payments and/or Penalties.
4,5	All refundable deposits can be covered by a bank guarantee as agreed between the applicant and Cederberg Municipality.
4,6	Refundable deposits will only be repaid after final inspection is conducted and or when the maintenance/defect's liability period is over as it is stipulated in the wayleave. <sup>2</sup>
4,7	A bank guarantee is required by the operator to Cederberg Municipality for the amount agreed between both parties for a period of no less than two years.
