(e) operates a pound.

3. Regulation of breeding

(1) All dogs and cats (male and female) over six months of age must be sterilized, unless the owner obtains a permit from the Municipality to keep the animal unsterilized.

(2) An application to keep an unsterilized animal, must be in writing on a prescribed form, in accordance with relevant Municipality Policies and Standard Operating Procedures and must be accompanied by the prescribed fee.

(3) An authorised official may cause an animal to be sterilized and the costs thereof may be recovered from the owner, should he or she deem it necessary—

(a) in the interests of the welfare of the animal;

(b) to prevent nuisance;

(c) when the animal is stray;

(d) at the request of the owner; and

(e) pursuant to the seizure and impoundment of the animal or a contravention involving the animal.

4. Restriction on number of dogs

(1) The Municipality may determine the number of dogs that may be kept on any premises.

(2) In the absence of a determination made in terms of the provisions of subsection (1) and subject to the provisions of subsections (3) and (4), no person may keep more than—

(a) two dogs, or allow more than two dogs, over the age of six months, to be kept in or at a dwelling unit;

(b) three dogs, or allow more than three dogs, over the age of six months, to be kept in or at a dwelling house;

(c) four dogs, or allow more than four dogs, over the age of six months, to be kept in or at a large dwelling house;

(d) six dogs, or allow more than six dogs, over the age of six months, to be kept on an agricultural property; or

(e) three dogs, or allow more than three dogs, over the age of six months, to be kept on at any other premises.

(3) Subsection (2) does not apply to any person who—

(a) is the holder of a permit issued in terms of section 5 to keep a greater number of dogs;

(b) is the holder of a permit to keep kennels;

(c) is the owner or manager or is in charge of, a pet shop and who has written proof that all dogs under the control of such owner or manager have been vaccinated

against canine distemper, hepatitis, kennel cough and parvovirus;

(4) A person whose permit to keep a dog has been cancelled or who has previously had a dog removed from his or her care or has a previous criminal conviction or civil judgment against him or her in respect of a dog in his or her care, may not keep a dog, unless the Municipality determines otherwise.

5. Permits to keep more dogs and cats than the prescribed number

(1) Any person who wants to keep a greater number of dogs or cats on any premises than the number permitted for that type of premises in terms of section 4 and 6, must apply to the Municipality for a permit.

(2) An application in terms of subsection (1) must be in writing on a prescribed form and must be accompanied by the prescribed fee.

(3) The Municipality may require the applicant to provide any information which it considers relevant to enable it to make an informed decision.

(4) The Municipality may refuse to consider an application in terms of subsection (1) in respect of which the provisions of subsection (2) have not been complied with or information contemplated in subsection (3), has not been furnished.

(5) The Municipality may only consider an application in terms of subsection (1) after receipt of a written report from an authorized official—

(a) as to whether the dog or cat for which the permit is required is likely to cause a public health nuisance or the keeping of such dog or cat may result in a contravention of section 5 or 6;

(b) setting out the results of an inspection of the premises on which the dog or cat concerned is being kept or is to be kept; and

(c) as to whether to applicant has previously had a dog or cat removed from his or her care or has a previous criminal conviction or civil judgement against him or her in respect of an animal in his or her care.

(6) The Municipality may refuse an application in terms of subsection (1) or approve it subject to any conditions aimed at reducing the risk of any public health nuisance created by the dogs or cats on the premises concerned occurring, continuing or to reduce such risk to a level acceptable to the Municipality.

(7) In respect of any application approved in terms of subsection (6), an authorized official must issue a permit on a prescribed form specifying every condition imposed by the Municipality.

(8) A permit is not transferable from one person to another or from the premises in respect of which it has been issued, to other premises.

6. Restriction on number of cats

(1) The Municipality may determine the number of cats that may be kept on any premises.

(2) In the absence of a determination made in terms of the provisions of subsection (1) and subject to the provisions of subsections (3) and (4), no person may keep more than—

(a) four cats, or allow more than four cats, over the age of six months to be kept in any premises;

(b) six cats, or allow more than six cats, to be kept on an agricultural property.

(3) Subsection (2) does not apply to any person who is the holder of a permit issued in terms of section 5.

(4) A person who has previously had a cat removed from his or her care or has a previous criminal conviction or civil judgement against him or her in respect of a cat in his or her care, may not keep a cat, unless the Municipality determines otherwise.

(5) No person shall keep any cat which does not have on its collar or micro-chip, a name, telephone number and physical address or reference to a society for the prevention of cruelty to animals or registered animal welfare organization.

7. Animals shall not be a source of danger

(1) No person may urge, incite or provoke any animal to attack, worry or frighten any person or animal or through negligence fail to prevent any animal from attacking, worrying or frightening any other person or animal.

(2) Any person who keeps an animal on any premises shall keep such animal in

such a manner as not to be a source of danger to Municipality employees entering upon such premises for the purpose of carrying out their duties.

(3) A notice to the effect that a dangerous animal is being kept on such premises shall be displayed in a conspicuous place at each access point to the premises.

(4) It is highly recommended that livestock should have reflector belt.

8. Animal fighting

(1) Any person who—

(a) possesses, keeps, imports, buys, sells, trains, breeds or has under his or her control an animal for the purpose of fighting any other animal;

(c) for financial gain or as a form of amusement promotes animal fights;

(d) allows any of the acts referred to in paragraph (a) and (c) to take place on any premises place in his or her possession or under his or her charge or control;

(e) owns, uses or controls any premises or public place for the purpose, or partly for the purpose, of presenting animal fights on such premises or public place, or who acts or assists in the management of such premises or public place, or who receives any consideration for the admission of any person to such premises or public place; or

(f) is present as a spectator at any premises or public place where any kind of the acts referred to in paragraph (b) to (e) is taking place or where preparations are being made for such acts, is guilty of an offence.

(2) In any prosecution it is presumed, unless evidence is adduced to the contrary, that an animal that is found at any premises or public place is the property of, or under the control of, the owner of those premises or that public place, or is the property of or under the control of the person who uses or is in control of the premises or public place.

9. Fireworks

(1) No person may intentionally or negligently terrify, distress or harm any animal with fireworks or by any other means.

10. Designation of public places as free-running, on leash or off-limits

(1) The Municipality may designate public places, with appropriate signage, as areas where dogs are allowed to be free-running, on leash or off-limits and the designation may vary according to time of day and season.

11. Removal of excrement

(1) If any animal defecates in any public street, public place or public road, any person in control of such animal, excluding a person assisted by a guide dog, shall forthwith remove the excrement, place it in a plastic or paper bag or wrapper and dispose of it in a receptacle provided for the deposit of litter or refuse.

(2) No person shall walk an animal, other than a guide dog, in a public street, public place or public road, without carrying a sufficient number of plastic or paper bags or wrappers, within which to place the excrement of the animal, in the event of the animal defecating.

12. Displaying or exhibiting of an animal for show or financial gain

(1) No person shall display or exhibit an animal for show or financial gain in a public space or public road, unless such person is the holder of a permit issued by the Municipality. This includes the use of an animal for begging or fundraising purposes. In the event that the Municipality receives an application from a person for the displaying or exhibiting of an animal for show or financial gain they shall consult an animal welfare Inspector authorised in terms of section 8(1) of the Animals Protection Act 71 of 1962 for comment and input.

13. Animals offered for sale

(1) A person or manager of premises where animals are offered for sale shall keep proper records of vaccination and shall not leave such animals needs unattended overnight.

(2) Keeping, breeding, or selling any animal within the scope of business or economic activities requires an authorization from the Municipality.

(3) Subsection (2) shall include commercial companion animal breeders.

(4) An application for authorization must be submitted to the Municipality

and be granted before the business or economic activity commences.

The application must include, as a minimum—

(a) details of the type of business or economic activity;

(b) the person responsible for the business or economic activity;

(c) address and details of the premises or establishment;

(d) numbers, sexes, ages, breeds and species of animals or poultry kept;

(e) details of enclosures and dimensions, including photographs; (f) details of employees and their relevant skills or expertise;

(g) name of veterinarian(s) and relevant expertise or post-graduate training;

(h) a full detailed explanation of how the welfare needs of the animals will be met; and

(i) proof of sufficient funds to provide adequately for the animals on an ongoing basis.

(5) The business or economic enterprise shall keep available for inspection by the Municipality at reasonable times, evidence of the numbers, age, sexes, breeds and species of animals kept/bred; the number and names of employees, and proof of their relevant skills/training; and the care regime instituted to protect the welfare of the animals.

(6) The authorization shall be limited to the approved location and any person or enterprise keeping or breeding animals within the scope of business or economic activity which changes its location shall notify the Municipality of its new premises in advance of the proposed move. The Municipality may inspect the new premises and re-issue or revoke the permit as required.

(7) If the Municipality has any doubts about the ability of the business or economic enterprise to meet the animal welfare needs of the animals in its operations, it must deny authorization, or revoke the same if already granted.

(8) The business or economic activity may not be exercised until authorization has been granted.

(9) The Municipality may, with immediate effect, close business premises or offices to prevent those which are not covered by an authorization from the Municipality when—

(a) authorization has not been granted; or

(b) authorization has been revoked, from exercising any business or economic activities relating to the keeping, selling or breeding of animals.

(10) Keepers or breeders of animals for business or economic activities may only be permitted to purchase or acquire animals from authorized breeders.

(11) Any person, business or economic enterprise selling or transferring the ownership of an animal to another person or enterprise shall provide the person or enterprise taking custody of the animal with relevant information and advice on how to safeguard and protect the animal's welfare, health and well-being. This includes, but is not limited to—

(a) how to keep, care for, and handle such animal;

(b) preventing unwanted breeding;

(c) the vaccinations and other health requirements recommended for the animal offered for sale; and

(d) any requirements or restrictions on the keeping or breeding of such animals.

(12) Evidence of compliance with subsection (11) must be retained, and made available for inspection by an authorized official on request and at all reasonable times.

(13) Keepers or breeders of animals for business or economic activities must ensure that any animals no longer suitable for the business or economic activity in question are rehomed or sent to a shelter or sanctuary wherever possible.

(14) Animals may not be presented or displayed inhumanely for sale in pet shops or any other premises of enterprises using animals within their scope of business or economic activities.

(15) The authorization for business or economic activity involving the trade or sale of certain wild animals or wildlife products can be restricted or banned by the Municipality.

(16) Where trade is provided for by the National Environmental Management: Biodiversity Act: Regulations: Convention of International Trade in Endangered Species of Wild Fauna and Flora (CITES) Regulations, 2010 (as amended), Animal Protection Act No. 71 of 1962 and the Provincial Nature Conservation Ordinance (No. 19 of 1974, as amended), guidelines or restrictions, must be applied by any person, business or economic enterprise selling or transferring the ownership of an animal to another person, business or economic enterprise.

(17) No person may sell or offer to sell an animal without the Municipality's authorization—

(a) in a street or public place;

(b) in or from a movable structure or vehicle;

(c) at public markets; and

(d) online or through social media platforms or outlets.

(18) It is prohibited to pass on, sell, offer for sale, transport or purchase any animal for whom the continuation of life would be connected with irremediable pain, suffering, agony, torment or distress for any other purpose than for its immediate euthanasia. Anybody acquiring or purchasing such an animal has to immediately euthanize, or ensure the immediate euthanasia of, the animal.

(19) It is furthermore prohibited to possess any animal, without reasonable cause, which is suffering irremediable pain, agony, torment, distress, or disease.

14. Control over animals

(1) A person who keeps any animal must ensure that it is kept under proper and effective control when it leaves the premises where it is kept and that it does not endanger any person, animal or property when it leaves the premises.

(2) The Municipality may seize and impound any apparently ownerless or diseased or dangerous or vicious animal found wandering or unattended on any public street or in any public place.

(3) A person who keeps an animal may not pasture or allow the animal to be pastured in or on any road reserve or any public property.

(4) The Municipality may seize and impound any such animal found in or on any road reserve or any public property, whether tended or not.

(5) A person may not, except for purposes of impounding any animal, drive or cause any animal to be driven in any public street or upon any public road within the area of jurisdiction of the Municipality without the prior written consent of the Municipality, which approval may be granted subject to conditions.

15. Control of working animals

(1) No person putting to work a working animal shall—

(a) permit the working animal to be in any public place whilst being incapable of pulling an animal drawn vehicle, suffering

from injury or disease, or is otherwise unfit or unsuited to the intended work;

(b) permit the working animal to constitute a hazard to traffic using any public street or road;

(c) permit the working animal to constitute or be likely to constitute a source of danger or injury to any person or animal using a public street;

(d) permit the working animal to be in any public street or public place except when under their control;

(e) work any working animal which does not have on the name, telephone number and address of its owner;

(f) permit any working animal to draw any vehicle, or use any harness which does not comply with the SABS standards and criteria which may be determined by the Municipality from time to time;

(g) work any working equine without a valid E53 Operators Permit where the person is noted as Driver;

(h) be younger than eighteen years of age; or

(i) be under the influence of drugs or alcohol.

16. Working equines

(1) Any owner who wants to put to work a working equine, must apply to the Municipality for a permit, in respect of such working equine.

(2) An application in terms of subsection (1) must be in writing on a prescribed form and in accordance with relevant Municipality Policies and Standard Operating Procedures.

(3) An application for a permit, must also—

(a) provide documentary evidence that the working equine is the foal of a working mare; and

(b) be accompanied by the prescribed fee.

(4) No more than one permit may be issued in respect of a working equine.

17. Seizure, impounding and destroying of working equines

(1) An authorized official may seize, impound, or destroy at a place appointed by the Municipality any working equine which—

(a) may be destroyed on the advice of a veterinary surgeon or in terms of the provisions of any law;

(b) in his or her opinion is incapable to continue to pull an animal drawn vehicle;

(c) in his or her opinion constitutes a hazard to traffic using any public street;

(d) is at large or apparently without an owner; or

(e) is found in any public place where such a working equine is, in the

18. The rescue of impounded working equines prohibited

(1) No person shall, by threats of violence or otherwise, rescue or attempt to rescue from the person or persons in charge thereof any working equine being lawfully brought to the pound, or shall rescue or attempt to rescue any working equine after such working equine has been lawfully impounded by an authorized official.

19. Stray animals

(1) A person who rescues or comes into possession of a stray animal shall report the date and time of the rescue and a description of the animal to the Municipality within twenty-four hours.

(2) An authorized official may—

(a) seize any animal found on any premises, public place or public road and which is—

(i) not under the supervision or control of any person; and

(ii) causes or poses a nuisance; and

(b) impound or cause to be impounded any such animal at a pound or other facility designated by the Municipality for such purposes.

(3) The Municipality may sell any animal impounded in terms of subsection 1(b), provided that—

(a) a period of no less than 10 days has lapsed from the time of impoundment;

(b) in the case of large animals, it shall be no less than 30 days has lapsed from the time of impoundment; and

(c) the Municipality has taken all reasonable steps to notify the owner of the animal of the impoundment.

(4) Any animal impounded in terms of subsection 1(b) may be destroyed, where such animal is—

(a) carrying an infectious or contagious disease; or

(b) ferocious, vicious or dangerous, such that it poses an immediate and substantial danger to the health and safety of other animals, or the public.

(5) The destruction of any animal in terms of this By-law must be carried out with such

precautions and in such a manner so as to inflict as little suffering as possible.

(6) The person who claims the animal seized must pay to the Municipality the reasonable costs of the Municipality for the seizure and removal of the animal, plus the reasonable costs of the organisation for accommodating the animal before the animal may be released to the person.

20. Seizure and removal of an animal

(1) The Municipality must remove any animal seized or impounded in accordance with the provisions of subsection (2) if so, ordered by a court in accordance with this By-law to a place designated by the Municipality where the animal can be accommodated.

(2) Any animal seized and impounded in terms of this By-law, must be kept at the place designated by the Municipality for at least 10 days to enable the owner or person in charge of the animal to claim it.

(3) In the case of large animals, at least 30 days to enable the owner or person in charge of the animal to claim it.

(4) If the owner or person in charge has not claimed the animal within the periods set out in subsection (2) and 3 above, the Municipality

may sell or donate it and retain and apply the proceeds of the sale, if any, for its own benefit, or it may otherwise dispose of the animal.

(5) The person who claims the animal seized must pay to the Municipality the reasonable costs of the Municipality for the seizure and removal of the animal, plus the reasonable costs of the organization for accommodating the animal, before the animal may be released to the person.

(6) If an animal seized and impounded in terms of this By-law and, where applicable, is so diseased or injured or in such a poor physical condition that it would be cruel or that it would bring unnecessary suffering to the animal to keep it alive and that it ought therefore to be destroyed without unreasonable delay, the Municipality may summon a veterinarian to examine the animal and if, after such examination, the veterinarian certifies that the animal is so diseased or injured or in such a poor physical condition that it would be cruel or that it would bring unnecessary suffering to the animal to keep it alive and that it ought therefore to be destroyed, the Municipality may instruct a veterinarian to immediately destroy the animal or cause it to be destroyed in such a manner so as to inflict as little suffering as possible.

(7) The Municipality may recover the reasonable veterinary costs and other costs in carrying out the provisions of subsection (5) from the owner or the person in charge of keeping the animal in question.

(8) A dog or cat which has been seized or removed in terms of this bylaw or the provisions of any other law which is found by the authorized official—

(a) to be suffering from any incurable, infectious or contagious disease, or be badly injured: or

(b) to be ferocious, vicious or dangerous, may be destroyed forthwith

- the destruction of any dog or cat shall be by such painless method as may be approved by a registered veterinarian and shall take place under the supervision of an authorized official.

Chapter 2 General provisions relating to the keeping of animals

21. Welfare facilities for the care and accommodation of animals

(1) All entities purporting to be animal welfare organizations must be registered not-for-profit entities whose main mission and objectives is the reduction of animal suffering and improvements in animal welfare.

(2) All animal welfare organizations other than a statutory organization which also functions as rescue and shelter organizations must apply for a permit from the Municipality, which permit must be issued prior to the commencement of operations.

(3) Such permit may only be granted if the applicant—

(a) has appropriate dedicated facilities in terms of relevant Municipality by-laws; and

(b) will employ at least one professional, qualified and registered welfare expert to be continuously involved in the management of the organization or enterprise.

22. Establishment of a pound and appointment of pound master

(1) The Municipality may establish a pound and any places for safe keeping of animals within the area of jurisdiction of the Municipality.

(2) The Municipality may enter into a service delivery agreement with a statutory organization, an animal welfare organization or a person to operate such a pound.

(3) The Municipality may close any pound under its control.

(4) The Municipality may, in terms of the relevant policies, appoint a competent

and suitably skilled person as pound master.

(5) The Municipality may, in terms of a service delivery agreement, appoint a competent and suitably skilled service provider as pound master.

23. Animal keepers

(1) All persons can keep animals, other than—

(a) where previously banned from doing so;

(b) where unable to provide basic species specific care;

(c) minors under 14, who may not keep animals without consent of guardians; and

(d) where the appropriate permits from the relevant conservation authorities were not obtained for the keeping of such an animal.

(2) Any person giving an animal into the care of an animal keeper must ensure that the keeper meets these minimum criteria.

24. Nuisance

(1) No person may keep any animal that creates a nuisance, whether the health nuisance or nuisance emanates from odour, sound or noise made by the animal, or from any other source relating to the animal and whether the health nuisance or nuisance emanates from the animal itself or from the manner in which, or the conditions under which, the animal is kept or from the escaping or wandering of the animal, as the case may be.

(2) The Municipality may consult with the relevant street committee or neighbourhood watch of the area to

resolve the matter with the owner of the animal causing the nuisance.

(3) If the Municipality reasonably believes that an animal poses or creates a nuisance, the Municipality may—

(a) in writing order, the owner or person in charge of the animal to abate the nuisance within a reasonable time and setting out the measures to be taken; or

(b) where possible and, if necessary, remove the animal concerned.

(4) If a person as contemplated in subsection (3) is found guilty of a second contravention in terms of subsection (3) in respect of the same animal, the Court may, in addition to imposing a sentence in accordance with the provisions of this by-law, order that the animal be seized and removed by the Municipality to a place designated by the Municipality as contemplated in this by-law.

(5) If the Municipality reasonably believes that any stable, enclosure or other building or structure where an animal is kept causes or is likely to cause a nuisance, be it due to its construction or state of disrepair or lack of cleanliness or for any other reason, the Municipality may in writing order the owner or the person in charge of the premises upon which the stable, enclosure, building or structure concerned is situated, to execute and perform such work as required to abate the nuisance as specified in the notice, within a reasonable time.

(6) If the nuisance as contemplated in subsection (5) has not abated after expiry of the period concerned, or the owner or person in charge of the premises has not executed and performed the work required in the notice to the satisfaction of the Municipality, the owner or person in charge of the premises is guilty of an offence.

25. Permits

(1) Any person that wants to undertake an activity or for the keeping of animals listed in this By-law, and for which a permit is required, must apply to the Municipality in writing prior to undertaking the relevant activity.

(2) The Municipality may charge the applicant a prescribed fee for considering and for granting a permit.

(3) The Municipality may refuse to consider an application for a permit until the prescribed fee has been paid and until it has been provided with the information that it reasonably requires to make an informed decision.

(4) The Municipality may, after consideration of a report and recommendation of an authorized official or veterinary surgeon, by written notice to the holder of a permit, amend, suspend or cancel the permit—

(a) if it is satisfied that failure to do so would result in—

(i) the creation or continuation of a nuisance in a public place; or

(ii) a continued contravention of any provision of this by-law;

(b) with immediate effect, if an authorized official reasonably believes that it is urgently necessary to do so to eliminate or

reduce a significant risk to public health posed by a nuisance; or

(c) after expiry of the period stipulated in a notice affording the holder of a permit a reasonable opportunity to comply with the notice and the holder of the permit failed to comply with the notice.

(5) The Municipality may amend, suspend or cancel a permit by written notice to the

holder, if the authorized official reasonably believes that it is necessary to do so to protect public health or to take account of changed circumstances since the permit was issued.

26. Keeping of dogs and cats

(1) A person who keeps a dog or cat that is older than six months must apply to the Municipality for a permit in respect of every dog or cat.

(2) The application must be accompanied by the prescribed permit fee as set out in the Municipality's tariff of charges, as well as a valid rabies inoculation certificate held in respect of the dog or cat concerned.

27. Keeping of dangerous animals

(1) A person who keeps a dangerous animal must—

(a) keep it in an adequate enclosure; (b) display adequate signage indicating the presence of a dangerous animal; and

(c) take reasonable measures to ensure that the animal—

(i) does not escape from the premises where it is kept; or

(ii) does not pose a danger, or cause harm, to a person, other

animal, or property.

28. Keeping of wild animals

(1) No person may keep any wild animals on residential premises without prior approval of the relevant nature conservation authorities and or without a permit by the relevant local authority

authorizing the keeping of such animals on the premises.

(2) No person may deliberately or negligently feed any wild animal that is not in captivity, with the exclusion of bird feeders.

(3) No person may permit a wild animal to access domestic waste.

29. Standards and requirements for keeping of animals on premises

(1) Premises used in connection with the keeping of animals and poultry must be operated under a permit issued in terms of this By-Law, except premises used for the keeping of animals and poultry on property zoned for agricultural farming or agricultural purposes, where the primary use of the land is for farming with animals and poultry.

(2) No person may keep, breed or operate the following animals on any residential premises without applying to the Municipality for a permit—

(a) keep cattle, horses, mules, donkeys or any animal of similar or bigger size;

(b) keep goats or sheep or any animal of similar or smaller size;

(c) any poultry, excluding 5 chicken hens;

(d) keep more than 5 birds; (e) keep or breed any rabbits; and

(f) operate a kennel or cattery.

(3) No person shall keep any varieties of rock dove or feral pigeons of the species *Columba livia* on any residential premises, unless under a valid permit is issued.

(4) Applications to keep any varieties of rock dove or feral pigeons of the species *Columba livia* on any residential premises must be in writing in the prescribed format

and may be considered and resolved by the Municipality after consideration of substantiated comments received from abutting and affected neighbours.

(5) No person may keep any pigs on any residential premises in the Municipality.

(6) No person may keep any roosters on any residential premises in the Municipality.

30. General hygiene requirements for keeping of animals and poultry.

(1) The premises and any equipment, apparatus, container or receptacle used in connection with keeping of animals, shall be maintained in a clean and sanitary condition and in good repair.

(2) Portable storage receptacles of an impervious material and with close fitting lids must be provided for storage of manure and animal waste.

(3) Potable drinking water supply must be provided and situated next to or in every stable or any enclosure used to accommodate animals, including poultry.

(4) Manure storage receptacles shall be kept on a platform that enables the surface underneath the receptacle to be cleaned.

(5) Manure from an enclosure must be removed at least once every three (3) days and placed in the manure storage receptacles.

(6) The contents of the manure storage receptacles must be removed from the premises at least once every seven days and disposed of in a way that will not create a public health nuisance. The disposal of manure does not include composting on the premises.

(7) All feed must be stored in a rodent-proof storeroom and all loose feed in rodent-proof receptacles with close fitting lids in the storeroom.

(8) Adequate measures must be taken to keep the premises free of pests and to prevent offensive odours arising from the keeping of such animals.

(9) All animal bedding must be removed from the stables/enclosures at least once a week and shall be stored in the manure receptacles or manure container or area until it is removed from the premises and suitably disposed of.

(10) Adequate washing facilities shall be provided for the cleaning of all structures housing animals and poultry.

(11) If the amount of manure generated on the premises is of large quantities, it may be required that a manure storage area be provided for storage of manure prior to removal.

(12) The manure storage area, if needed, shall have a roofed platform constructed of concrete or other impervious material and the platform shall be graded and drained.

(13) Any animal that dies from any premises shall be removed from the said premises within 24 hours of its death, to prevent a health nuisance or nuisance from occurring.

(14) Where the premises are provided with an animal mortuary, carcasses must be kept in the cold storage facilities until they are removed from the premises.

(15) Disposal of dead animals shall be conducted in an acceptable manner and in compliance to the relevant Municipality by-laws.

(16) Subsections (14) and (15) do not apply to similar facilities provided for in terms of the Meat Safety Act No. 40 of

2000, registered veterinarian facilities or pounds.

31. Standards and requirements for pet parlours, pet shops, pet day care facilities and pet hotels

(1) No person shall operate a pet parlour, pet shop, pet day care facility or pet hotel on any premises, unless under a valid permit issued in terms of this By-Law.

(2) Applications to operate a pet parlour, pet shop, pet day care facility or pet hotel must be made in writing in the prescribed format and may be considered and resolved by the Municipality after consideration of substantiated comments received from abutting and affected neighbours.

(3) Pet parlours, pet shops, pet day care facilities and pet hotels must comply with the environmental health standards as set out in the relevant bylaws, policies and any conditions that the Municipality may attach to their permits.

32. Keeping and slaughtering of animals for religious, cultural, ceremonial, and own consumption purposes

(1) Subject to subsection (2), no person may:

(a) slaughter any animal at any place other than at a registered abattoir;

(b) permit the slaughter of any animal at any place under their control unless that place is a registered abattoir; or

(c) sell or provide meat for human consumption and animal consumption unless it has been slaughtered at an abattoir.

(2) Subsection 1 does not apply to a slaughter for religious, cultural, ceremonial

and own consumption purposes, in terms of the Meat Safety Act, 40 of 2000.

(3) No meat or animal product obtained from an animal slaughtered as contemplated in subsections 1 may be sold to any person.

(4) In the case of religious and cultural slaughtering, an application must be made in writing, fourteen (14) days prior to the event.

(5) The slaughtering of the animal must be conducted in a position as to not allow observation by any person on neighbouring premises or any member of the public.

(6) The meat from the slaughtered animal may only be used for religious, cultural, ceremonial and own consumption purposes and may not be sold to any person.

(7) The meat must be always handled in a hygienic manner.

(8) Blood and other waste products from the carcass must be disposed of in a manner which will not become a public health nuisance.

(9) The animal to be slaughtered must not be kept on the premises for a period more than twelve (12) hours, prior to slaughtering.

(10) Measures must be taken to ensure that no health nuisance is created or exists on the premises because of the slaughtering.

(11) The services of an authorized official or any person deemed as a meat inspector in terms of the Meat Safety Act, 2000 (Act No. 40 of 2000), may be requested for conducting a post-mortem examination of the slaughtered animal at a cost determined by the Municipality.

(12) Animals selected for slaughter, in terms of the Red Meat Regulations promulgated in terms of the Meat Safety Act, 2000 (Act No. 40 of 2000), must be in a healthy condition.

(13) Persons intending to keep animals for slaughter shall:

(a) Keep the animal off feed for twelve (12) hours but provide access to water.

(b) Ensure that the legs of the animal are not bound.

(c) Not run or excite the animal prior to slaughtering because this may cause poor bleeding and give the carcass a bloody appearance.

(d) Minimize pain and suffering as per the Meat Safety Act, 2000 (Act No. 40 of 2000).

(e) Provide written proof of notification to abutting neighbours which must be submitted with the application in residential areas only; and

(f) Ensure all areas are kept free of animal waste.

(14) Standard consent form must be completed by applicant.

(15) Number of animals and duration of event must be indicated by the applicant.

(16) No noise nuisance shall occur prior to and during the slaughtering process.

(17) All waste products to be disposed on in a manner approved by the Municipal Manager.

33. Drainage

(1) A person who keeps animals must ensure that all sinks, wash hand basins, baths, shower-baths, troughs, floor surfaces, channels and washing platforms required to be drained in terms of these

by-laws are drained in accordance with the provisions of the National Building Regulations and Building Standards Act, 1977 (Act No. 103 of 1977).

Chapter 3

Bee keeping

34. Keeping of bees

(1) No person may keep bees in a residential area or public open space without the permission of the Municipality.

(2) The Municipality may set standards and requirements applicable to bee keeping.

(3) No person may keep bees within the Municipality without registration with a registered beekeepers' association or the National Department responsible for agriculture.

(4) Proof of registration must be submitted to the Municipality in the prescribed manner within 30 days of receipt.

(5) The Municipality may establish and maintain a bee keeping database and inspect bee keeping premises in accordance with relevant by-laws, Municipality policies and Standard Operating Procedures.

(6) Bee keeping may not cause a health nuisance or nuisance.

Chapter 4

Enforcement

35. Offences and penalties

(1) Any person who—

(a) contravenes or fails to comply with any provision of this By-law or disobeys any instruction or written compliance notice by an authorized official enforcing this By-law;

(b) obstructs or hinders any person in the execution of any power or the performance of any duty or function in terms of any provision of this By-law; or

(c) furnishes false, incorrect or misleading information when applying for permission from the Municipality in terms of a provision of this by-law; is guilty of an offence and liable to a fine or upon conviction to a period of imprisonment for a period not exceeding two years, or to both a fine and such imprisonment

36. Powers and functions of authorized officials

(1) An authorized official may, for the purposes of enforcing this By-Law—

(a) instruct a person who is in contravention to—

(i) stop the conduct prohibited under the By-Law;

(ii) remove any obstruction to the safe or free passage of a pedestrian or motor vehicle;

(iii) leave and remain out of a specified public place;

(b) issue a written compliance notice on a person contravening the by-Law, which notice must include the following—

(i) describe the conduct constituting a contravention of the by-law;

(ii) indicate the section of the by-law contravened;

(iii) specify the steps to be taken to comply with the notice;

(iv) specify the time periods within which the steps have to be taken;

(v) state that the failure to comply with the compliance notice constitutes an offence

in addition to the contravention of the section contemplated in sub-paragraph (ii); and

(vi) state that, in the event of non-compliance, that person will be liable for a fine for both the contravention and for not complying with the compliance notice and state the amount of the fine;

(c) issue a notice in terms of sections 56 or 341 of the Criminal Procedure Act, 51 of 1977 if—

(i) a person contravenes a provision of the by-law; or

(ii) a person fails or refuses to comply with a direction in terms of paragraph (a) or a compliance notice in terms of paragraph (b);

(d) without a search warrant search any person, vehicle, or structure for the purpose of seizing any article which is, or is on reasonable grounds believed to be, concerned with the commission of an offence in terms of this by-law if—

(i) the person consents to the search;

(ii) the person does not consent, the official, on reasonable grounds believes—

(aa) that a search warrant will be issued under paragraph (a) of section 21 (1) of the Criminal Procedure Act, 1977 (Act

No. 51 of 1977) if application is made for a warrant; and

(bb) that the delay in obtaining a warrant would defeat the object of the search; or

(iii) in terms of section 23 of the Criminal Procedure Act, 1977 (Act 51 of 1977);

(e) arrest a person, who commits an offence in terms of the by-law, in terms of section 40(1) (a) to (f), (h) and (j) of the Criminal Procedure Act, 51 of 1977 and, if necessary, search the person arrested in terms of section 23 of that Act;

(f) impound, in accordance with the Municipality's Standard Operating Procedure on the Impoundment of Goods and Animals, 2012, any personal items of persons arrested in accordance with this by-law;

(g) require any person to furnish their name and address and other particulars that are required for identification or for any process if the authorized official reasonably suspects this person of having committed an offence in terms of this by-law or, if in the opinion of the authorized official, that person is able to give evidence in regard to the commission of any such offence;

(h) conduct an inspection in relation to any premises or business—

(i) to determine whether the provisions of this by-law are being complied with;

(ii) where there are reasonable grounds for believing that a provision of this by-law has been contravened;

(iii) inspect the premises or any vehicle that is used or that they reasonably suspect is being used for the business and anything on the premises or anything in the vehicle; and

(iv) question any person on the premises or in the vehicle or any person who has recently been on the premises or in the vehicle; and

(i) enter any premises or business at all reasonable times, where there has been an allegation that a provision of this By-law has been contravened.

(2) Should the person on whom a written compliance notice was issued in terms of subsection (1) fail to comply, or inadequately comply, with the written compliance notice, the Municipality may—

(a) take measures that the Municipality considers appropriate to remedy the situation or may authorise another person to take such measures; and

(b) recover costs in terms of its Credit Control and Debt Collection Policy and the Credit Control and Debt Collection By-law, which is updated regularly or similar legislation or policy, for the measures to be undertaken and all costs incurred as a result of acting under this by-law, from any or all of the persons on whom the written compliance notice was issued.

(3) In exercising any power under this section every authorised official must—

(a) exercise their powers reasonably with due regard to every person's fundamental rights under Chapter 2 of the Constitution;

(b) ensure if force is required under the circumstances, the level of force is justifiable and proportional; and

(c) in the absence of an authorized official contemplated in subsection

(4), take steps to prevent any other authorized official from exercising powers in contravention of paragraphs (a) and (b).

(4) The authorized official in charge must exercise their duty of care by intervening and taking the necessary steps to curtail any unreasonable exercise of powers or disproportionate use of force by any official under their command.

37. Indemnity

(1) Neither the Municipality nor any authorized official is liable for any damages in respect of anything lawfully done or omitted in the reasonable exercising of any power or carrying out any function in terms of this By-law.

38. Appeal

(1) A person whose rights are affected by a decision taken in terms of this by-law may appeal against that decision by giving written notice of, and reasons for, the appeal in terms of section 62 of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000) to the Municipality Manager within 21 days of the notification of the decision.

(2) Any authorized official making a decision in terms of this by-law must inform any person affected by the decision of that person's right to appeal in terms of subsection (1).

Chapter 5

Impounding

39. Impoundment for trespassing

Any person may impound an animal found abandoned upon any street, road, road reserve or other public place.

40. Detention and removal of animals

(1) Any animal –

- a) Found trespassing on land; or
- b) Straying or wandering unattended in a public road or other public place be detained and removed to a pound by the owner of such land, an official of the council, a member of the South African Police Service or the pound keeper.
- c) Whose owner has failed to honour the lease agreement as entered into between the Municipality and the owner.

(2) Any person who has detained an animal for the purpose of impounding shall;

- a) Remove such animal to a pound within 24 hours after seizure, and
- b) Ensure that proper care is taken of the seized animal until the animal is received at the pound

41. Pound to which animals are to be sent

Any proprietor upon whose land any animals are found trespassing may send such animals to such pound as is nearest by a passable road or thoroughfare to the land trespassed upon, or such other pound designated by the municipality.

42. Offer by owner before impoundment of animals

The owner of any animals liable to impoundment for trespassing may, before the animals are removed from the property trespassed upon, offer to the person complaining of the trespassing a sum of money in compensation of the damage suffered by him. Such offer shall be made to the complainant himself or to his servant or agent charged with the duty of taking the animals to the pound.

43. Receiving of animals by pound master

(1) It shall be the duty of every pound master to receive into his charge all animals brought to his pound, during such hours as the municipality may determine, by the proprietor, or by any person authorized in writing thereto by such proprietor or caretaker, to be impounded for having been found trespassing upon the land of such proprietor.

(2) Any pound master who unreasonably refuses or fails to receive animals brought to his pound as aforesaid shall be guilty of an offence and shall, in addition, be liable for any damage caused to the owner of the said animals, or to any other person, by reason of such refusal or failure; provided that, if any animal suffering from any contagious disease is brought to the pound, such animal shall be kept separate from all other impounded animals, and the pound master may cause such animals to be put down under the provisions of section 8.

44. Receipt for impounded animals

Every pound master shall give the person delivering animals into his charge a written receipt, indicating the number and description of the animals so delivered, and specifying the trespassing for which the said animals, as reported, are to be impounded.

45. Number of enclosures

Every pound master shall maintain in good repair and, as far as possible, free from all infection, not less than five separate enclosures for—

- (a) ostriches and horses,
- (b) cattle
- (c) sheep, goats and pigs,
- (d) canine; and
- (e) feline, provided that a municipality may regarding any pound in its area give permission to the pound master to maintain a smaller number of enclosures thereon.

46. Putting down of dangerous or contagious animals

A pound master may cause any impounded animal suffering from a contagious disease, or which may prove dangerous to human life or other animals impounded to be put down; provided that no such animal shall be put down unless a veterinary surgeon has examined it and has agreed with the pound master as to the necessity for it being put down.

47. Notice of impounded animals

Every pound master who knows the name of the owner of any animal impounded in his pound shall forthwith give written notice to such owner that the said animal has been impounded.

48. Keeping of pound register

(1) Every pound master shall keep a pound register with the following particulars—

- (a) the date when, and the cause for which, all animals received by him are impounded,
- (b) the number and description of such animals,
- (c) the name and residence of the person impounding such animals, and the name and residence of the owner or supposed owner;
- (d) the date and particulars of the release of sale of the animals; and
- (e) any other matters which he may be directed by the municipality to ascertain and record.

(2) The entries under subsection (1)(a), (b) and (c) shall be made at the time the animals are impounded and the entries

under subsection (1)(d) and (e) shall be made as soon as the pound master obtains the necessary information; provided that no entry shall be made after a dispute has arisen.

(3) In case of the death or injury of any impounded animal, the pound master shall enter in his pound register a description of such animal and the cause of its death or injury.

49. Inspection of and extracts from pound register

Every pound register shall be kept at the pound or any other approved place and shall at all reasonable times be open for inspection, free of charge, to any authorized officer of the municipality, veterinary surgeon, stock inspector, and any member of the police service of the public.

50. Submission of pound register entries after pound sales

Every pound master shall within a fortnight after the date of each pound sale submit to the municipality a copy of all entries in his pound register made since the date of the preceding submission. The municipality shall preserve all such copies for inspection by any person desirous of seeing them.

51. Inspection of pound register at place of sale

Whenever a sale of impounded animals is to take place, the pound master or a person authorized to conduct the sale, shall take the pound register with him to the place of sale, and such register shall be open for inspection, free of charge, at the place of sale to all persons desirous of inspecting it.

52. Pound master's fees

(1) The municipality may fix fees and charges or tariffs for the keeping of animals in a pound and may, in determining such fees and charges or tariffs, distinguish between different kinds of animals and provide for the keeping and feeding of animals in separate enclosures.

(2) Every pound master shall be entitled to claim the fees and charges or tariffs determined by the municipality in terms of subsection (1) for every animal impounded by him in terms of this by-law.

53. Fees payable

(1) The fees and charges or tariffs determined by the municipality in terms of section 14 shall be paid to be the pound master by the owner of the animals impounded, and the said fees and charges or tariffs, together with any costs which the pound master may have incurred and such animals may be detained by the pound master in security of payment of the said fees and charges or tariffs, provided that—

(a) if the value of the animals impounded is in excess of the total amount due thereon, as determined in terms of this by-law, and if the owner is unable to pay the said amount, the pound master shall detain only so many of the said animals as may be sufficient to secure the total amount due for all the animals, and shall deliver the remainder of the animals to the said owner,

(b) any pound master who retains any greater number of such animals than is reasonably necessary to secure such amount shall be liable to the owner for

any damages sustained by him on account of such retention.

(2) If the pound master is an official of the municipality, he shall pay the fees and charges, or tariffs received by him in terms of this by-law into the revenue of the municipality.

(3) No pound master shall release any impounded animal until the prescribed fees and charges, or tariffs have been paid to him.

54. Notice of sale

Every pound master shall—

(1) whenever any impounded animal has not been released within six days from the date of its impoundment, forward to the municipality in whose area of jurisdiction the pound is situated, a notice setting forth the species, marks and distinguishing features (if any) of such animal, and in regard to horses and cattle their colour also, and stating that the animal mentioned therein will be sold at the next sale of impounded animals, as well as the time and place of such sale;

(2) upon sending such notice to the municipality, post a copy thereof in some or other conspicuous place at or near his pound, there to remain until the day of the sale; and

(3) cause to be published in a newspaper circulating in jurisdiction of the municipality where the pound is situated a notice of the sale of an impounded animal; provided that the cost of such notice shall be recoverable from the owner of the impounded animal and shall be deemed to be part of the amount to be deducted from the proceeds of the sale of an animal and it shall be recoverable from the owner of such animal if the said proceeds are less

than the amount due; provided further that—

(a) if such notice refers to more than one animal, the municipality shall in its discretion, divide the cost of such notice pro rata in respect of the animals referred to therein,

(b) if the owner of an impounded animal is unknown, and the proceeds of the sale do not cover the amount as aforesaid, the municipality shall make good the deficit.

55. Auctioneer

(1) Every sale of impounded stock shall—

(a) be conducted by the pound master or some other person duly authorized thereto by the municipality concerned; and

(b) commence at a time and be held on a day to be fixed by the auctioneer.

(2) No person conducting a pound sale shall have any direct or indirect interest in any purchase at any sale so held by him.

56. Sale of animals

At every such sale—

(1) no animal shall be put up for sale unless impounded for at least two weeks.

(2) all animals, except sheep and goats shall be sold individually.

(3) sheep and goats shall be sold in lots of not more than ten, and sheep and goats, or sheep or goats with different marks or brands shall in no circumstances be sold together in the same lot.

(4) animals shall be sold for cash, and the proceeds, less the amount of the pound fees and other fees, charges, or tariffs payable in respect of such animals shall

forthwith upon receipt, be handed by the pound master to the municipality, to be paid to the owners of the animals sold according to their respective rights; provided that—

(a) if in any particular case the animals sold do not realise sufficient to yield the sum of pound fees and other fees, charges or tariffs as aforesaid, the proceeds shall first be utilised for the payment of the compensation due to the pound master, and if the said proceeds are insufficient to cover such compensation, the balance of compensation shall be paid to the pound master by the municipality.

(b) any money, being the proceeds of the sale of any impounded animal as aforesaid, which remains in the hands of the municipality for a period of twelve months without being claimed by the owner of such animal, shall become the property of such municipality.

(c) it shall be competent for the municipality to make good to any pound master any loss which he may incur in the keeping of animals where the selling price does not cover the costs incurred.

(d) it shall be competent for any pound master, after compliance with the procedure prescribed by section 8 relating to diseased animals, to cause any aged or otherwise permanently unfit animal presented at the pound to be put down.

(e) if any animal dies in the pound and the owner cannot be traced, the expenses of burying the carcass shall be borne by the municipality.

(f) the municipality or an authorized officer may fix a reserve price for any animal offered for sale.

(g) the auctioneer may withdraw any animal from the sale if the highest bid received is in his opinion not satisfactory, irrespective of whether a reserve price has been fixed by the municipality or not.

57. Illegal impounding and penalties

Any person who illegally impounds any animal shall be guilty of an offence and shall in addition be liable to the owner for all damages, pound fees, compensation, cost and charges arising out of such proceeding, and for all charges, fees or tariffs in connection therewith.

58. Recovery of loss in respect of impoundment of animals from area of another municipality

Any loss suffered by a municipality as a result of the impounding in a pound under its management and control of animals found trespassing within the area of jurisdiction of another municipality, may be recovered by such first-mentioned municipality from such other municipality.

59. Use, detention, and ill-treatment of animals

No person shall furiously drive, worry, or ill-treat any animal found trespassing.

60. Offences and penalties

Any person who—

(1) contravenes or fails to comply with a provision of this by-law, whether such contravention or failure has been declared an offence elsewhere in this by-law,

(2) deliberately obstructs, hampers, or handicaps any person in the exercise of any power or the performance of any duty or function in terms of any provision of this by-law; or

(3) furnishes false, incorrect, or misleading information shall be guilty of an offence and liable upon conviction to—

(a) a fine or imprisonment or either such fine or imprisonment or to both such fine and such imprisonment; and

(b) in the case of a continuing offence, to an additional fine or an additional period of imprisonment or to such additional imprisonment without the option of a fine or to both such additional fine and imprisonment for each day on which such offence is continued; and

(c) a further amount equal to any costs and expenses found by the court to have been incurred by the municipality as a result of such contravention or failure.

61. Short title and commencement

This law is called the Cederberg Local Municipality Animal Keeping and Impounding By-Law and shall come into operation on the date of publication in the Provincial Gazette.
